

(A Call from Gotham (one act play

Written by Mr. Adel Ali Al-Arfi. Benghazi.11-25-2023

The curtain rises... a scene of a man sitting on a sofa watching TV and
the background of the scene

(A window overlooking trees..It is the presidential candidate (Joe Biden
He enjoys watching the series (The Three Idiots), giggling and turning to
address the void

BIDEN: What do you think? Isn't it wonderful!! An old series, but still
.beautiful

Another person, Mr. Biden's assistant, enters and greets the audience
and says to his master

Assistant: Sir, a call from Gotham City. Leader Netanyahu wants to talk
.to you

Joe picks up the phone to answer the call and the assistant comes out

!Biden: Hello Mr. Vladimir, have you changed your mind about Ukraine

Netanyahu's voice from the phones: This is me, Mr. Biden Netanyahu,
from Tel Aviv, the capital of the Kingdom of Gotham

Biden: Well, well, I met you, Joseph. How are you and how is Mary? Is
!she still making those wonderful pies

Netanyahu's voice: Mr. Biden, focus with me on the matter that I -
would like to discuss with you. It is really important and very
.confidential, and I need your advice

!Biden: So secret that you even want to enter Area 51, Smith

...Netanyahu's voice: What area!!! Okay, I'll get straight to the point -

Biden interrupted: Excuse me, Mr. Malcolm.. I need a few minutes to finish my comedy series, and I will get back to you

He hangs up the phone and continues watching TV while laughing... The series ends and Biden claps, and in the meantime the sound of the .phone rises and he picks up the speaker

.Netanyahu's voice: Hello, Mr. Joe Biden's house -

Biden: No, it's Washington Cemetery, ha-ha-ha

Netanyahu's voice: Nice joke, Mr. Prankster. I think it would be better - for you to leave the political forum and work as a clown in the circus.
?Isn't it a good idea

Biden laughing: What is the difference between them! Isn't politics a big ?circus game

?Netanyahu's voice: Can we talk seriously now

Biden: Here you go, Eddie Caprio

?Netanyahu's voice: Have you heard about the Ben Gurion Canal project

Biden: I don't know him.. I know the ugly old Zionist Ben Gurion with the shaggy hair, the founder of the Kingdom of Gotham.. But what is the
?project that you told me about just now

Netanyahu's voice: The Ben Gurion Canal project is a project that we - developed with your state agencies in 1963, which aims to dig a double canal from the Red Sea to the Mediterranean Sea, at a depth of 50 meters. With this project, we will destroy the Suez Canal, and it will strengthen the geopolitical position of the Kingdom of Gotham in the future, and it will open for us Ali Baba Ali's Cave. It is wide open...and the whole world will come begging us to use it after we completely fill
.the Suez Canal and get rid of its danger to our national security

?Biden: Didn't world leaders kneel to the priests of Gotham

Netanyahu's voice: Only Arab and Western politicians kneeled and paid - allegiance to our temple, and you are among them. Have you forgotten,
?you dirty old Zionist

.Biden: I think I need to go to the bathroom. I feel unwell-

Netanyahu's voice: Before you go to hell, let me continue... We face a - major problem... The channel's course passes through the territory of the Palestinian Gaza Strip... How do you think we can solve this
?problem

Biden: Very easy... Wait for me until I become president of my - country... and I will wage a war with you on the Gaza Strip and with the support of my scumbag followers, the leaders of Britain, France and Germany, and you know them... and we will empty the Gaza Strip of its population and move them to the Negev desert or Sinai, or bury them

under their homes on their land. ...Then we will complete your blessed
.project on what remains of their bodies

Netanyahu's voice: They say about you (America's next idiot). Man, you -
are the devil of the next White House. You truly deserve this position.
.Pack your bags and head to the Oval Office tomorrow

¿Biden: What about Trump

Netanyahu's voice: A commodity that has been consumed, we brought -
it down with the prestige of the Capitol... Do not forget that we are here
from the Kingdom of Gotham, moving all the devils of the world, and
whoever of our followers extends his tongue or horn, we will cut him off
..immediately

Biden: Well, thank you for the gift, and now I hang up. I want to watch -
(the movie (Intolerant

Netanyahu hangs up and Biden holds the remote while singing

Joe, you're amazing

Let's get to work

Joe, you're amazing

You waited like hope

Joe, you're amazing

Tomorrow you leave the mountain

Joe, you're amazing

The time for action has come

Joe, you're amazing

Hold America to failure

The curtain comes down
